

“The Lottery” Socratic circle – Bubbl.us

Step 1: Go to the following website: <http://bubbl.us/>

Step 2: Click on “Start Brainstorming”

Step 3: In the top right hand corner, click on “Create Account.” Fill in all the fields. Write your login information down on your green login sheet.

Step 4: Pick one of “The Lottery” Socratic circle questions that you are going to answer for your assignment due next week.

Step 5: When you come up with the answer you want, type it in the bubble located in the middle of the screen. You do not have to write in complete sentences unless you want to.

Step 6: Press “enter” to get a child bubble. In that bubble, include your textual evidence and page number.

Step 7: Write a follow up sentence explaining how your textual evidence proves your point.

Step 8: Over on the right hand side, name your file and click on the “save” button.

Step 9: Print your work. To do so, click on “set print area.” Select “fit all.” Then click “setup& print.”

Step 10: If you have time, complete another bubbl.us for the 2nd question you plan to answer. Repeat for the 3rd question.

Step 11: Use the work you did to write the answers to the questions for next week’s discussion. Please attach your bubbl.us document to your Socratic circle responses.
