

SCARY SETTING ASSIGNMENT

LNG 321—Mrs. Buchanan

The horror genre exists for numerous reasons, most of which we have discussed in class. It is now your turn to try your hand at this infamous type of tale. Your culminating activity for this unit will be to create a detailed and horrifying setting. Your assignment is to work from that setting to build suspense. You should use the examples we have read in class and the organizer I gave you in class. We will be typing in the lab on _____; **you will only be allowed to type if your organizer is complete.** It is due _____.

These are your requirements:

- | | | |
|--|---|--|
| ☠ Style: | ☠ Format: | ☠ Mechanics: |
| <ul style="list-style-type: none">○ Intense attention to setting and mood○ Creepy imagery that leads to suspense○ Diction that sets the mood○ Horror genre motifs | <ul style="list-style-type: none">○ 200-250 words○ Double Spaced○ 12 point font○ Times New Roman | <ul style="list-style-type: none">○ Correct punctuation○ Correct grammar○ Correct spelling |
