

Instructions – Bubbl.us

Step 1: Go to the following website: <http://bubbl.us/>

Step 2: Click on “Start Brainstorming”

Step 3: In the top right hand corner, click on “Create Account.” Fill in all the fields. Write your login information down on your green login sheet.

Step 4: Pick a topic that you are responding to for the current assignment. When you come up with the answer you want, type it in the bubble located in the middle of the screen. You do not have to write in complete sentences unless you want to.

Step 5: Press “enter” to get a child bubble. In that bubble, include your **textual evidence** and **page number**.

Step 6: Press “enter” to get another child bubble. Write a follow up sentence explaining how your textual evidence proves your point.

Step 7: Over on the right hand side, name your file and click on the “save” button.

Step 8: Print your work. To do so, click on “set print area.” Select “fit all.” Then click “setup& print.” **Write your name on the paper.**
